R-Ladies Global

What is R-Ladies?

#rdogladies

Worldwide organization that
promotes **gender diversity** in
the **R** community via **meetups**
and mentorship in a **friendly**
and **safe** environment

Our mission

More women/non-binary

- coders
- developers
- speakers
- leaders

More awesome people developing
R packages and being part of the R
community.

These are our main objectives:

- To make R more popular and accessible (especially for women living in Munich).
- To promote R as a programming and statistical software and language.
- To exchange ideas and knowledge.
- To create a friendly network among women who use R.
- To create a safe environment for women to learn R or improve their R skills.
